

Froq 2 Single-User-License License Agreement

NOTICE: By purchasing a Froq 2 Single User License (hereafter the license) you agree to every point mentioned below and in the next paragraph 'Froq License agreement'.

- The license is a personal license for one installation
- The license is not transferable
- The license is not refundable
- The license unlocks every feature offered by the Froq 2 application, if available on your system / configuration (e.g. your database must support it)
- The license grants the owner the right to install it on ONE SINGLE COMPUTER
- The license will remain valid for every 2.x version of Froq, optional 3.x or later versions will require a new license
- The license is not valid for 1.x versions of the Froq application
- The license and its key may be used by multiple users on one and the same computer, for the intention of supporting 'Fast User Switching'
- The license and its key may not be used by the same user on different computers
- The license will remain valid for Froq version 2.x indefinitely until one of the following:
 - The evidence appears that the license or its key has been transferred or distributed in any way not allowed by this license, intentionally or not
 - The license or key has been converted, by an upgrade, to a different Froq license in the future
- The author remains the privilege of disabling licenses that are no longer valid when he seems fit

Froq License agreement

NOTICE: By installing, operating, copying or otherwise using Froq, you agree to the terms of this License Agreement. If you do not agree to the terms of this Agreement, DO NOT INSTALL Froq.

- You are not allowed to (re-)distribute this application, contact the author if you wish to do so.
- You are allowed to make copies for backup purposes.
- This is a DEMO application, meaning that the application will cease to function after a period of time and can only be used beyond that period after purchasing a license-key.
- You are not allowed to distribute any license-keys for this application you may have obtained, since they are personal or corporate,

(depending on your license option) they may not be copied or distributed in any other way than for the purpose granted in said license, nor are you allowed to use license-keys that you haven't bought personally or corporately.

- You are not entitled to any support by the author, nor by any database manufacturer, however you may report application bugs or send other feedback information.
- You are aware of the application's capabilities and its limitations. See the disclaimer and the applications Help feature for more information.
- You may not reverse engineer, decompile or otherwise modify this application, nor may you use or re-use any part of this application other than for the purpose this application was created for.
- You may not re-distribute any of the applications components, this includes all JDBC drivers bundled with this application.
- This application and its source code are the intellectual property of the author.
- JDBC drivers bundled with this application are the property of there respective owners.
- You can not hold the author responsible for any damage of whichever kind that this application may cause you or your business.
- You are not allowed to share, distribute, sell or re-sell the license-key or license-keys you have purchased for this application, nor are you allowed to use any license-keys you haven't purchased.
- No rights can be derived from this agreement.
- An additional license agreement will apply when bundled with a purchased license.

Export Law Assurances

You may not use or otherwise export or reexport this software except as authorized by United States laws and the laws of the jurisdiction in which the software was obtained. In particular, but without limitation, the software may not be exported or reexported (i) into (or to a national or resident of) any U.S. embargoed country or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce's Table of Denial Orders. By using the software, you represent and warrant that you are not located in, under control of, or a national or resident of any such country or on any such list.

Disclaimer of warranty

USE THIS APPLICATION AT YOUR OWN RISK.

Although this application was developed with the utmost care, and tested thoroughly, the author cannot be held responsible for any damage of any kind that this application may cause. Caution is advised, since an SQL interface to a database is a powerful tool.

This application and its author do not hold any affiliation with the

respective database manufacturers. This program merely provides an interface to the respective databases. This application does not pretend or aims to be a full database client, it merely aims at supplying an interface for simple database actions. It does not support every database feature nor does it support every datatype.

Above all, if you don't know what you're doing, don't do it. Consult your local DBA (Database administrator) for any questions regarding the use of such a tool on your database.

YOU ACKNOWLEDGE THAT THE SOFTWARE PRODUCT MAY NOT SATISFY YOUR REQUIREMENTS OR BE FREE FROM DEFECTS.

THE PROGRAMS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. WE FURTHER DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT.

IN NO EVENT SHALL WE BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE, INCURRED BY YOU OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
